The Ensembles repertoire consists of well known 'standards' taken mainly from 'The Great American Songbook'. Composers such as Cole Porter, George Gershwin, Rogers & Hart and Irving Berlin with songs made famous by the likes of Frank Sinatra, Ella Fitzgerald, Billie Holiday and more recently Robbie Williams, Westlife and Jamie Cullum.

An example of "The MPR Jazz Ensemble" Song list is below.

A nightingale sang in Berkeley Square

All blues

All of me

All the things you are

Angel eyes

Autumn leaves

Bewitched

Beautiful love

Black Orpheus

Blue bossa

Body and soul

Bye bye blackbird

Can't get started

Cheek to cheek

Come fly with me

Desifanado

Don't get around much anymore

Don't worry about me

Drop me off in Harlem

Everything happens to me

Embraceable you

Exactly like you

Fly me to the moon

Foggy day

Gee baby ain't I good to you

Georgia on my mind

Girl from Ipanema

Have you met Miss Jones

I got rhythm

I love you

I remember you

In a sentimental mood

It had to be you

I've never been in love before

Let there be love

Let's fall in love

Like someone in love

Lover Man

Lullaby of Birdland

Misty

Moondance

My funny valentine

Night and day

On green dolphin street

One note samba

Our love is here to stay

So what

Softly as a morning sunrise

Someday my prince will come

Song for my farther

Stella by starlight

St. Thomas

Stormy Monday

Summertime

Takin' a chance on love

Take the A train

Take 5

Unforgettable

What is this thing called love

What's new

You made me love you

You make me feel so young

**And many more.....**
