

## SOULED OUT – Songs

Hold on I'm coming  
Midnight hour  
Sittin' on the dock of the bay  
Let's stay together  
Tracks of my tears  
I heard it through the grapevine  
Move on up  
Hold back the night  
Have I told you lately that I love you  
Soul sister, Brown sugar  
I thank you  
Tears of a clown  
Gimme some lovin'  
Respect  
Mama told me not to come  
It's a mans, mans, mans world  
Whats going on  
I've been loving you too long  
Tenderness  
Knock on wood  
Unchain my heart  
Papa's got a brand new bag  
I feel good, I got you  
You can leave your hat on  
Take me to the river  
Let's stick together  
Get ready  
Walking the dog  
They call me Mr Pitiful  
Sweet talk  
I wish  
Superstition  
I'm beginning to wonder  
Too hard to handle  
That's the way I like it  
Soul man  
Sweet home chicago  
Get up off that thang  
Sex machine  
Everybody needs somebody  
My girl  
Mustang Sally  
Treat her right  
Play that funky music  
Can't turn you loose  
Papa was a rolling stone  
Theme from Peter Gunn  
Land of a 1000 dances  
Shake a Tailfeather  
Soul Finger
