

ABBAS ANGELS

Testimonials

"Despite a roaring headache from last night's excesses at my Captains farewell party I could not let today go past without writing to you to express my thanks for Abba's Angels performance. To say you were stupendous is actually an understatement. Our research had led us to believe you were one of, if not "the" top Abba Tribute in the south of England. We were right. Everyone of the 150 attendees thought you were the real thing and had an incredible night of dancing to your fabulous music. This was an important night for my wife and I as I retire as golf club captain in 2 weeks time and you helped make it a memorable and thoroughly enjoyable occasion"

Jim Thatcher, Captain, Rowlands Castle Golf Club.

"Dear Louise and the rest of the band, Mamma Mia – What a party! Thank you so much for being so utterly fantastic at our party last Saturday! You were awesome! You all looked so fabulous and sounded superb. Having such a professional band added so much to our party. You were also so very tolerant of all our reveling/dancing guests. What else can I say but 'Thank you for the Music' and I would strongly recommend you to anyone wanting to have the best ABBA tribute band this side of Sweden!"

Pippa Riddle, East Sheen
